

# **FUN** Jinny Chalmers draiser Day *for* Education Justice

---

## Event Sponsorship Information

Please help us carry on Jinny's work to create equitable education opportunities for all youth by participating as an event sponsor. All funds raised on this day will support the work of the Jinny Chalmers Fund for Education Justice.

**On Saturday, March 20, we will celebrate Jinny by hosting an event that highlights activities Jinny strongly believed in: physical fitness and, most important, gathering as a community to advocate for education justice!** At the Reggie Lewis Track and Athletic Center, we will sponsor a variety of races and activities for all ages. We anticipate 500 participants from the social justice community that Jinny built. All will be asked ahead of the event to gather pledges to help support the Jinny Chalmers Fund for Education Justice.
